

No representation on behalf of the DHR.

The stage is for taking steps as last chance. On perusal of the order sheet the petition was filed in the year 2023. Despite lapse of more than 1 and half yrs, the DHR fails to take steps against the JDRs.

Moreover the DHR remained absent continuously, if the absence of the DHR is considered, they may not be interested to prosecute this petition. However call the matter again at 2.45pm.
