

EX 2467/2023

Counsel for DHR has filed a memo reporting that the JDR has settled the matter out of the Court and the entire out standing dues are cleared and therefore the salary warrant issued against the JDR no. 5 may be recalled and E.P. may be closed as fully satisfied.

The memo is counter signed by the authorized officer of DHR.

It is noted from the order sheet that, the order of attachment of salary against JDR no. 5 through Garnishee has been recalled vide order dated 05.06.2024, hence prayer to recall the warrant of attachment of salary does not survive for consideration.

In view of the memo filed today, the E.P. is closed as fully satisfied.
