Matter called repeatedly at 12.30pm, 2.00pm, 2.50pm, 4.55 pm and lastly at 5.45pm despite which DHR absent. No representation.

A perusal of order sheet reveals that except filing the instant execution petition neither DHR nor represented by its counsel have actively participated in the proceedings and pursued the execution petition despite due and reasonable opportunities, adjournments and time line.

Hence there is no point in proceeding further. In light of foregoing observations and having due regards to the facts, circumstances and year of pendency of the case, it is

humbly opined that there is no point in giving further adjournment.

Hence instant execution petition stands dismissed for non-prosecution.
