

EX 608/2023

DHR and his learned counsel are absent. No representation.

Now, the learned counsel for DHR is present and filed process memo seeking cause notice to JDR to the cause title address.

The record reveals that the previous cause notice sent to JDR till date repeatedly unserved with an endorsement that there is no such person in the name in the said address, for want of full address, address not traced, door number not trace, but again, the DHR is seeking cause notice to the JDR to the same address.

Therefore, process is returned to the learned counsel and **the present petition is dismissed for default** as it is apparent on the face of the record that the DHR continuously keep on absent. and on the request of his learned counsel, repeatedly the cause notice was issued and re-issue but went in vain because of non furnishing the correct address.
